

HIMALAYAN SALT

Himalayan Salt is a form of edible crystal. Himalayan Mineral Salt has very similar properties to Rose Quartz and is an excellent crystal for love-especially self-love. For centuries pure salt has been used for protection, protection from evil, especially protection in and around the home. It is recommended that those who work in environments of negativity or indirect communication, keep a piece of Himalayan Salt on their desk or nearby – in the form of a lamp is best.
