

SNOWFLAKE OBSIDIAN

Snowflake Obsidian is a natural volcanic glass containing the mineral Cristobalite in the form of white "snowflake" crystal patterns. A stone of purity, Snowflake Obsidian brings about a balance to body, mind and spirit. Snowflake Obsidian helps to keep centered and focused when any type of chaotic situation presents itself. Snowflake Obsidian can remove negativity from a space or person with ease. A good choice for past life work, Snowflake Obsidian heals old karmic patterns and helps in examining harmful thought patterns. Snowflake Obsidian promotes a sense of calm and inner centering which readies one for a deep meditative state.
