

QUARTZ w/PINK TOURMALINE

Quartz w/Pink Tourmaline Pink Tourmaline, also known as Elbaite, is one of the ultimate crystal healing tools for matters of the heart, the support of heart centered activities, and fostering feelings of LOVE. Pink Tourmaline helps to create feelings of joy and happiness and supports peace during periods of transformation. It's an aphrodisiac that attracts love in the material and spiritual world, providing one assurance that it is safe to love and live. Pink Tourmaline allows one to forgive the past and move forward in life with an open, trusting heart.
