

Mookite is an Australian Jasper of bold, earthy beauty with a fiery fusion of red and yellow energies. It carries an invigorating frequency of strength and vitality and increases Life Force within the physical body. Uke an espresso for the soul, the Mookite crystal is an excellent all-over energizer that cleanese and activates the root chakra, sarcal chakra, and solar plexus chakra. The Mookite crystal stone encourages you to take control of your destiny and shoot for the stars.
